**DIRECTORS' RESPONSIBILITY STATEMENT**

---

Irish Company law requires the directors to prepare financial statements giving a true and fair view of the assets, liabilities, and financial position of the Company and the profit or loss of the Company for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union. In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state that the financial statements comply with IFRSs as adopted by the European Union; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities and financial position and income statement of the Company and to enable them to ensure that the financial statements are prepared in accordance with IFRS as adopted by the European Union and comply with Irish statute comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS  
OF ERVIA ENERGY TRADING LIMITED  
(FORMERLY KNOWN AS BORD GÁIS ENERGY TRADING LIMITED)**

---

We have audited the financial statements of Ervia Energy Trading Limited (formerly known as Bord Gáis Energy Trading Limited) for the financial year ended 31 December 2014 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Cash Flows, the Statement of Changes in Equity and the related notes 1 to 9. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and International Financial Reporting Standards (IFRS) as adopted by the European Union ("relevant financial reporting framework").

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibility Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with the Companies Act 2014 and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Reports and Financial Statements for the year ended 31 December 2014 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2014 and of the result for the year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2014**

---

**1. STATEMENT OF ACCOUNTING POLICIES**

The significant accounting policies adopted by the Company are as follows:

**1.1. Basis of preparation**

Ervia Energy Trading Limited ('the Company') (formerly Bord Gáis Energy Trading Limited) is a wholly owned subsidiary of Ervia (formerly Bord Gáis Éireann). In common with other subsidiaries, the financial statements of the Company reflect the effect of such group membership.

The financial statements are presented in euro and are prepared on a historical cost basis.

**i. Statement of Compliance**

The financial statements are prepared in accordance with International Financial Reporting Standards ('IFRS') as adopted by the EU ('EU IFRS'), International Financial Reporting Interpretations Committee ('IFRIC') interpretations and in accordance with the Companies Act 2014.

The financial statements have been prepared in accordance with those IFRS and IFRIC interpretations issued and effective for accounting periods ending on or before 31 December 2014.

**ii. Use of estimates and judgements**

The preparation of the financial statements, in conforming with IFRS, requires the use of judgements, estimates and assumptions in determining the value of assets and liabilities, income and expenses recorded for the year, and positive and negative contingencies at year end. Actual results in future financial statements may differ from current estimates due to changes in these assumptions or economic conditions.

There are no critical accounting judgements made in the preparation of the Company's financial statements.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which these estimates are revised and in any future periods affected.

**1.2 New accounting standards and interpretations**

**Table 1: New standards, amendments to standards and interpretations**

<b>Standard/Amendment</b>	<b>Effective Date (as endorsed by the EU)</b>	<b>Endorsed by the EU</b>

In the current year, the Company has applied a number of new and revised IFRS, as set out in table 1, that are mandatorily effective under IFRS, as endorsed by the EU, for accounting periods beginning on or after 1 January 2014.

The package of five standards on control, consolidation, joint arrangements, associates and disclosures, comprising IFRS 10, IFRS 11, IFRS 12, IAS 27 (2011), IAS 28 (2011), and the amendments to these standards set out in table 1, became effective on 1 January 2014 under IFRS as endorsed by the EU, with retrospective application for comparative periods presented. IFRS 10 provides a single consolidation model that identifies control as the basis of consolidation for all types of entities. It replaces IAS 27 (2008) and SIC 12. IFRS 11 establishes principles for financial reporting by the parties to a joint arrangement, thereby replacing IAS 31 and amending IAS 28 (2008). IFRS 12 combines, enhances and replaces the disclosure requirements for subsidiaries, joint arrangements, associates and unconsolidated structured entities. The application of these new standards and amendments to standards did not have a material impact on the Company's financial statements for 2014.
