DIRECTORS' RESPONSIBILITIES STATEMENT

The directors' are responsible for preparing the directors' report and the financial statements in accordance with the Companies Act 2014 and the applicable regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards as adopted by the European Union ("relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date and of the profit or loss of the Company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We have audited the financial statements of Aurora Telecom Limited for the financial year ended 31 December 2015 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Cash Flows, the Statement of Changes in Equity and the related notes 1 to 11. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and International Financial Reporting Standards (IFRS) as adopted by the European Union ("relevant financial reporting framework").

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with the Companies Act 2014 and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Reports and Financial Statements for the year ended 31 December 2015 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2015 and of the result for the year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2015**

1. STATEMENT OF ACCOUNTING POLICIES - continued

1.1 New accounting standards and interpretations

In the current financial year, the company has applied a number of new and revised IFRS, as set out below, that are mandatorily effective under IFRS, as endorsed by the EU, for accounting periods beginning on or after 1 January 2015. The application of these amendments to standards did not have a material impact on the Aurora Telecom Limited financial statements for 2015.

Standard/Amendment	Effective Date (as endorsed by the EU)	Endorsed by the EU
Annual Improvements to IFRS 2010-2012	1 July 2014	December 2014
Annual Improvements to IFRS 2011-2013	1 July 2014	December 2014
Amendment to IAS 19 Defined Benefit Plans: Employee Contributions	1 July 2014	December 2014

A number of new standards, amendments to standards and interpretations are not yet effective for the financial year ended 31 December 2015 and have not been applied in preparing these financial statements. The application of these new standards, amendments and interpretations is either not expected to have a material impact on the financial statements or is still under assessment.

IFRS 16 Leases was issued on 13 January 2016 with an IASB effective date of 1 January 2019 (not yet endorsed by the EU). This new standard will replace IAS 17 Leases (and associated interpretative guidance), and offers a new comprehensive model for the identification of lease arrangements and their treatment in the financial statements of both lessees and lessors.

The most significant change will be to lessee accounting, where the distinction between operating and finance leases is removed, and will effectively bring onto the balance sheet the accounting for assets and liabilities associated with operating leases. There will be no significant changes in respect of lessor accounting.

Standard/Amendment	IASB Effective Date	Endorsed by the EU
Amendments to IFRS 11: Accounting for Acquisitions of Interests in Joint Operations	1 January 2016 ¹	November 2015
Amendments to IAS 16 and IAS 38: Clarification of Acceptable Methods of Depreciation and Amortisation	1 January 2016 ¹	December 2015
